Dear Juan, the entire neighborhood are grateful for a job well done!
But this morning I spotted
a homeless male without a shirt inside the church building!
I asked him if he is one the homeless? He said yes
And the minute I said I will call the police he ran away!
That empty church building is a hiding place for them!
Did you find out who Owns that build?
Don't let your great body of work be wasted!
Best Regards

Hi ██████████,

I can follow up with Building and Safety to make sure the property owner is in compliance and reach out to the property owner.
